|----------|------------------------|----------|-----------------|--------------|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| 52684    | Obstructions           | WN 25/1  | South Barrow CP | Footpath     | 3             | This Right of Way has been blocked by numerous fences and gates                                                                                                                                                                           |         |
| 50512    | Missing                | WN 25/2  | South Barrow CP | Footpath     | 3             | No stile visible. Access to route via gate, but no evidence of route other than an old notice saying the bridge ahead is broken. The bridge in question has been repaired & it is a pity that this important routeway is so hard to find. |         |
| 50511    | Missing                | WN 25/2  | South Barrow CP | Footpath     | 3             | Finger post has been cut down and removed (again). I found it in the ditch on the opposite side of the road.                                                                                                                              |         |
|          |                        | WN 25/3  | South Barrow CP | Footpath     | 3             |                                                                                                                                                                                                                                           |         |
| 50498    | Definitive Route Query | WN 25/4  | South Barrow CP | Footpath     | 3             | No evidence of route arrow on gate - looks to have been replaced recently.                                                                                                                                                                |         |
| 50041    | Obstructions           | WN 25/4  | South Barrow CP | Footpath     | 3             | Obvious gate to pathway, but no marker to indicate direction or existence of route. .                                                                                                                                                     |         |
| 28616    | Obstructions           | WN 25/14 | South Barrow CP | Footpath     | 3             | Obstructed by barbed wire                                                                                                                                                                                                                 |         |
